Valoroso Foods COVID-19 Response

The health and safety of our valued customers and staff members continues to be our top priority.

We would like to assure our customers that Valoroso Foods is following all federal, provincial and local public health advisories to keep our working environments safe, including

- Increasing routine cleaning -including all frequently touched surfaces
- Reinforcing good hygiene practices
- Team member support –ongoing communication with staff and customers regarding our efforts to follow all public health advisories

We are currently offering all prepared foods as a take-out option including all coffee bar foods and beverages and have temporarily eliminated all in store seating.

Reminder to all customers, please maintain social distancing practices while shopping, keeping distance between yourself, fellow shoppers and our employees. We understand that these practices can be inconvenient, but please be mindful that these guidelines are in place to protect the more vulnerable people in our community.

For updates and more details on prevention and transmission practices please visit

Public Health
