Product ID: 60164

Vendor ID:

Brand: Galioto

Description:

<p><p>Extra Virgin Monti Iblea DOP:
Combination</p><p>Monti Iblei DOP is obtained from the
Tonda Iblea and Moresca cultivars and is harvested in
September and October. This medium fruity olive oil with
hints of ripe tomato has a slightly spicy sweet flavor. The
balanced flavor makes it ideal for salads, fish and
uncooked legumes.</p><p>Extraction Method The olives
are hand-picked during the ripening stage when the
olives are still not fully mature and the oil extraction is
run cold through a 2 phase continuous cycle on the same
day. This results in a lower yet higher quality yield.</p>
