Vendor ID:
Category: Syrup Dessert, Drinks
Brand: Fabbri
Package Size: CS
Description: <P> A new product with a unique flavor and fragrance. The latest product in Fabbri's drink-making line, Anise syrup has actually been used for flavouring since antiquity. Famous for it's digestive properties, anise is a popular ingredient just about everywhere in the Mediterranean, where its intense, refreshing flavor is a feature in many national beverages (such as in ouzo in Greece, pastis in France, raki in Turkey, and sambuca or anisetta in Italy). Use this anise syrup to make original cocktails or add directly to slushy drinks or cold coffees. And because of its distinctive color, Anice Fabbri is also ideal for giving cocktails, slushies and other beverages a nice blue color. You'll be bewitched by this new flavor, but don't worry, the potion is perfectly safe for mere mortals.</P>
